I am passionate about video, animation, and graphic design.
I believe that every company's strength comes from the ideas and collaboration of its committed team.
I am seeking full time employment from a company that feels the same. Let's work together.

relevant experience

WPTA

creative services producer

July 2018 to Present

At WPTA I create printads, web ads, news cast graphics, presentation materials, award materials, and any other internal needs. I also edit daily news clips and assist with other video editing projects.

DH Productions

motion and graphic designer

March 2017 to May 2018

I directed and assisted in the creative process. This included storyboarding, script writing, filming, animating, editing, social media, and much more.

Evenflo Company, Inc.

digital multimedia intern

July 2016 to November 2016

I created several product animations, assisted in the photo studio, analyzed the target audience, and prepared images for post-production.
